

MEDICAL EMERGENCY PROCEDURE-DETAILS REQUIRED

Students who may require immediate attention in an emergency should submit the following details authenticated by an authorized medical practitioner treating the student.

- 1: Medical condition.
- 2: Symptoms.
- 3: Emergency procedures.
- 4: Medication details.
- 5: Doctor's details and phone number.
- 6: Parents and Guardian details – mobile and landline

These details will be shared with the doctor attending on the student in case of an emergency. This will help in proper diagnosis and to carry out procedures if the student is incapacitated in an emergency.

Parents/Local Guardians will be contacted in an emergency.
